

APPLE CARROT SWEET SLAW

www.veggiegrettie.com

INGREDIENTS

shredded apple
shredded carrot
fresh orange juice
cinnamon to taste
raisins
chopped walnuts for garnish

Put the shredded apple and carrot in a bowl and mix well. Squeeze the orange juice onto the apple and carrot, sprinkle with cinnamon to taste and mix to incorporate.

If you plan on serving the slaw immediately, go ahead and mix in the raisins and chopped walnut. Otherwise, wait until you are ready to serve the slaw and add them at that point or allow people to top their slaw themselves...otherwise the walnuts and raisins will become soggy.
